Hope Technology School

From the HTS Team

Dear Families and Friends of Hope Technology School,

Giving Tuesday is the world's "largest generosity movement" that takes place on **December 3rd, 2024**, which is the Tuesday after Black Friday and Cyber Monday. It offers our community the chance to unite and show their support for their preferred charity.

As a non-profit, Hope Technology School relies on the generosity of our community to sustain and improve our inclusion programs toward fostering a more inclusive, compassionate, and innovative classroom environment. The support from your donations enables us to make a lasting positive impact on our students well past their time at HTS. We appreciate your dedication to creating an exceptional learning environment!

We want to express our heartfelt gratitude for your unwavering support. You are a cherished member of the HTS community.

Thank you!

HTS
