

Holiday Giving Campaign

December 2026

Dear Families and Friends of Hope Technology School,

Giving Tuesday is the world's "largest generosity movement" that takes place on December 1st, 2026. It offers our community the chance to unite and show their support for their preferred charity.

We are so grateful that for over 25 years, we have been able to make our vision of a fully-inclusive program a reality. For that, we have our collaborative, dedicated, and compassionate community to thank. The support from your donations has enabled us to make a lasting positive impact on our students well past their time at HTS.

We want to express our heartfelt gratitude for your unwavering support. You are a cherished member of the HTS community.

Thank you!
